Economy pays 51/40/0—day in to day out

Start with just \$100 withdrawable anytime!

Economy Certificates of Deposit offer a combination of high yield and flexibility. Start with as little as \$100, with funds withdrawable at any time. Economy pays 51/4% from the day of your first deposit to the day you withdraw no penalty for withdrawing, no waiting for anniversary dates.

Interest will be paid or compounded twice yearly, at your option. Monthly income checks are available on deposits of \$5,000 or more, in multiples of \$100. Day-in to day-out interest of 51/4%, withdrawal privileges, minimum deposit only \$100, and Economy pays the Ohio intangible tax for you: where can you get more for your money? Since 1892, Economy has paid depositors on request at any time — without notice — with interest in full.

If you don't think photography can be fun then turn on to another part of the paper, because here we are concerned with photography as a hobby and business. Here we will take up the new; like the new selfpowered Magicube Type X flash cube (no battery needed), the new Instamatic X cameras, the beautiful; like the pictures in the photography contest at the Fayette County Fair this year, and don't forget that the deadline is July 18 to get pix and slides in for this year's Fair, the technicial; like how to use long lenses, close up lenses, electronic flash - yes, this space is for the photo bug.

If you read something here want more information then come in and see us at Pensyl Camera Shop, 231 East Court Street and we will make every effort to help you with your photographic problems. For example, want to get more than 100 slides in one Carousel tray? We can help you. Want to know how to get the most out of High Speed Ektachrome Film? We have the story. Need ideas for photo Christmas cards? Man, we're full of them. These and many other things will be covered in this space in the weeks to come. Look for us here!
